

Bluejay Basketball

3 on 3 Youth League

We would like to introduce you to an exciting new addition to the youth basketball program. It's a 3 on 3 league for boys in grades 2-5. Many successful basketball programs around the country are using 3 on 3 leagues as the foundation of their youth basketball programs. 3 on 3 play allows young players to handle the ball more often, play in more space as they develop their skills, and learn basic basketball movements. We hope to use this league as a tool to help transition our players to play in 5 on 5 leagues as they grow in their skills and abilities.

A player's typical Saturday league session will include 30 minutes of skill development (practice time) and participation in two 20 minute 3 on 3 games. Each team will consist of 4-5 players who will be coached by a volunteer. Players will be guaranteed to play a minimum of half the game. Players will receive a reversible jersey that is to be worn for each game. Cost to participate is \$30.

Due to Covid-19 restrictions, spectators will not be allowed in the gym during the 3 on 3 league. Supervision during the league sessions will be provided by each team's coach as well as the high school staff and players.
